THE FIFTH SUNDAY OF EASTER

Our reading from 1 Peter today describes the church as a spiritual building constructed of living stones with Jesus Christ as the cornerstone. Christ is the church's sole foundation because he alone is God's full revelation remaining forever in the gospel's words, our way, truth, and life. In that spiritual edifice wherein we are all living stones, there are a variety of ministries, all contributing to the community's welfare. Our reading Acts today recounts the beginning of diverse forms of service in the church. The scriptures challenge us today to meet Christ in the faces of others and to be the living stones of service and love to each encounter.

THE FIFTH SUNDAY OF EASTER

A Family Perspective

Jesus tells us in the gospel: I am in the Father and the Father is in me! The point is: God is in each one of us, in our relationships and in our homes. The vocation of the Christian family is to live the divine gift which is already in and around us.
