EASTER SUNDAY

If you want to find out what Easter does not mean, just spend some time watching or reading the news. All of the negative and depressing news you see or read is not a sign that there is new life to be found in our world. No, Easter will not be found during the nightly newscast. We find Easter where we find men and women alive with love for neighbors, near and far. We find Easter when we see people caring for each other in all the difficulties that life can bring. We find Easter when we see parents taking care of their children, even though it means giving up so much, so often. Whenever you and I bring some genuine life to another person, we are helping people to believe in the new life that Jesus offers through the earth-shattering event we call the Resurrection. Easter calls us to live with a positive and encouraging attitude. On this Easter day may we allow the risen Jesus to bring new life to us. And may we, in turn, bring that new life to one another.

Easter Sunday: A Family Perspective

Millions of people around the world celebrate the Resurrection today. It all began simply on the first Easter with one person telling another: "Mary told Peter" and "they believed." Faith is passed from one person to another; it is caught, not taught and parents are the most effective persons to pass faith to their children.

EASTER BLESSING OF THE FAMILIES

This afternoon, Bishops David Zubik, William Walter-shield & William Winter will welcome families of the Diocese of Pittsburgh to their Annual Blessing of Families at St. Paul Cathedral, Oakland beginning at 2:00pm. As they greet and bless your family personally, they affirm and support you as household of love and witnesses to The Faith. Come and experience the Bishops' expression of appreciation for the gift that you are and the gifts that you bring to our Diocese. Each family attending will receive a special memento to take home and children will receive a sweet treat. May the Risen Christ bless you always!
