**THE SEVENTH SUNDAY OF EASTER**

The occasion of prayer, recorded in today's gospel, is the moment when Jesus is telling his disciples that he will be leaving them shortly. He asks God to take care of them because he knows they will need it. They will never be able to perform their ministry alone. They will need to depend on the Creator. Christianity is not a religion of the self-sufficient person. It teaches a dependence on God who comes to us most often through our fellow human beings. When we depend on others, we enter deeply into their lives, we touch their experiences, we share without reservation. To recognize that one has to depend on God to face any crisis fully, to know that one needs other human beings in order to handle any situation completely, is to know at once that everything is beyond our capacity - without God and our neighbors - and that nothing is beyond our capacity - with God and our neighbors.

**ON MISSION FOR THE CHURCH ALIVE**

*Here are the principal goals:*

- ◆ *Growth in the Church of Pittsburgh through evangelization - making sure our parishes are welcoming centers of hospitality and outreach, especially to the alienated, following the example of our Holy Father, Pope Francis.*
- ◆ *To help our parishes, schools and religious education programs become more fully alive in worship, service and catechesis.*
- ◆ *To ensure our health care ministry and college campus ministry for the future.*
- ◆ *To offer more vibrant liturgies and effective faith formation programs to attract people and pass on the faith.*
- ◆ *To challenge us to be excited about our faith!*
