SOLEMNITY OF THE MOST HOLY TRINITY

Christianity teaches us that salvation is a “group affair.” No one is saved because he or she has developed an intense personal relationship with God while ignoring the rest of the human community. In Christianity “to be saved” and “to be fully human” include the development of authentic relationships with other persons. It is mystically fitting that the God of the Christian Scriptures is not an “isolated individual.” Our God is a Trinity, a mysterious blend of three persons. The very nature of goodness, therefore implies “interpersonal relationships”, some sort of inner communication within the very substance of the divine. We can learn a lesson from the Trinity. Christianity demands that we support one another. Our God, the Creator, needs and supports the Redeemer and the Sanctifier.

Thoughts to reflect on and share: *“We continue to wonder why we still cannot find peace in our world, in our country, in our communities and within our own families when the answer is right before us in scripture. It is because we have yet to fully grasp the absolute need to, ‘mend our ways, encourage one another, agree with one another’. Only when we do will the God of love and peace be within us.”* Deacon Herb **Folow Deacon Herb on Facebook.**

ON MISSION FOR THE CHURCH ALIVE!

On Mission: A New Pentecost - Come, Holy Spirit and fill us with your gifts of Wonder and Awe in God’s Presence. May we never forget that our lives are made for what is eternal (heaven), not what will pass away (earth). May we always stand in amazement before God and the wonderful ways he is at work in our lives, the world and the Church. May we be free from sin to maintain our union with God and may we reflect His love as we are united with our brothers and sisters. As we journey *On Mission for The Church Alive!* inspire us to be open and trusting to the changes that await us and strengthen us to live our baptismal call of building up the Kingdom of God on earth. Visit onmissionchurchalive.org to stay informed.
