THE ELEVENTH SUNDAY IN ORDINARY TIME

Today’s gospel reading uses the metaphor of the seed to help us understand the nature of the Kingdom of God. Jesus gives us two parables to illustrate the Kingdom of God. The first is a parable about seed that is scattered on the land by a man. As he goes about his life, the seed sprouts and grows, but he has no idea how this happens. This is the way it is with the Kingdom of God. God’s word is heard throughout the world, it takes root in our hearts, grows and spreads. We do not know how this happens because this is God’s grace at work in our lives. The second parable is that of the tiny mustard seed that grows many times its size. It grows so big, in fact, that birds can find shelter and shade in its branches. The Kingdom of God is like this tiny seed. God plants in each of us many tiny seeds of goodness that we are to bring to fruition by our good works and loving care for others. God nurtures us and helps our seeds grow with His word and Sacrament. The fruit that these seeds produce, through our efforts and God’s grace, are lives brought to salvation. And this is how God’s Kingdom on earth continues to be built up.

Thoughts to Reflect on and Share: From Deacon Herb:
 “We have all heard the expression that it is better to give than to receive. But when it comes to receiving everything that we can from the Lord at the sacred liturgy and Eucharist of the Mass, we have to fully give ourselves and our attention over to Him in order to please Him and receive what it is that He is giving to us.” ; *Follow Deacon Herb on Facebook.*

**"LITURGICAL CAPSULES THAT
AREN'T HARD TO SWALLOW"
REVERENCE IN OUR CELEBRATION
OF THE EUCHARIST**

DRESS - What we wear can be an indication of our attitude toward something. The clothes that we choose to wear to church can reveal our respect or what is happening there. God deserves the best and when we worship Him we want to present ourselves to Him in an appropriate way that truly expresses our reverence. Too casual form of dress can reveal that the Mass is not a special occasion but possibly just something we have to do. It has become a routine. It has been argued that God does not really care what we wear and this is true, but worship is the reverence we give to Him. Do we wear clothes that reveal our reverence and our desire to give the Lord our best?

**PRAYER CHAIN
LADIES OF CHARITY**

You simply pray for those requesting prayers at your own pace in your own environment.
