**THE TWELFTH SUNDAY IN ORDINARY TIME**

We can imagine the disciples' panic as the water began to rise in the boat. Besides being vast and powerful, the sea is also unpredictable. When a storm rises, even a short distance from the shore can seem like miles. Throughout Scripture, the surging sea has been used to represent the forces of chaos and darkness in the world. The miracle of the calming of the sea was yet another sign to the disciples and to us that Jesus is always aware and concerned, however bleak the circumstances are. The forces of nature responded so quickly to His rebuke as a great calm resulted immediately. Jesus is always with us, especially during the storms of life in this world. In His cross and resurrection, He not only triumphed over the powers of darkness in this world; He defeated death itself, our ultimate enemy. He offers us countless opportunities to cast our cares on Him. Through challenge after challenge, He seeks to deepen our trust in His love and provision. In hope, let us surrender our lives to Him.

**Thoughts to Reflect on and Share: From Deacon Herb:**

*"Just as Jesus calmed the stormy waters of the Sea of Galilee for His disciples, during the stormy seas of life that we all go through from time to time, our faith in Jesus is the one true calming measure that we can always count on to see us through our troubles."* **Follow Deacon Herb on Facebook.**

**"LITURGICAL CAPSULES THAT AREN'T HARD TO SWALLOW"  
REVERENCE IN OUR CELEBRATION  
OF THE EUCHARIST**

**SILENCE IS NOT ONLY GOLDEN BUT SACRED -** *Worship is the reverence and honor we offer God for being who He is and for what He has done for us. When we worship God, we use words, actions and gestures to express our love and devotion. This is especially true when we gather to celebrate the Eucharist, which is our greatest act of public worship. Our reverence and behavior should reflect the importance of each celebration. In order to set a prayerful atmosphere, our silent preparation is essential. Quiet time is important to allow each individual to mentally prepare for the celebration. Therefore, it is our responsibility to maintain respectful silence once we enter the doors of the church. Complete cooperation is required. If important conversation is necessary, individuals should move outside the main body of the church to the entrance area. Let us attempt to observe this practice for our celebration..*
