THE THIRTEENTH SUNDAY IN ORDINARY TIME

Every journey has a measure of the unknown. This was true of Christ as he moved toward Jerusalem. It is true of every Christian who accepts the radical call and who, as Paul states, makes his journey as the "Spirit Walk." Every day of our life presents new challenges, new problems of faith, new moral choices. Luke speaks of Jesus that He set His face for Jerusalem. In the face of the unknown, Christ never wavered. Our age has many difficulties with commitment. Great hesitation surrounds any life commitment. Many are broken. It is a regrettable fact of our times. True love does not shrink from commitment. To opt for God in our life is a very important choice. If there is one thing we need today, it is a witness of stability, to strive continually to walk God's path, to move toward the Lord's goal and to make choices based on his directives. We may not always succeed but with the willingness to build on what has been started, our journey of commitment continues.

Thoughts to Reflect on and Share "Freedom comes in many beautiful forms, but none more so than when we leave behind all the trappings of earthly wants and desires, follow the Spirit and live to love and serve our sisters and brothers." Deacon Herb **Follow Deacon Herb on Facebook.**

Don't let your child become a statistic!

80% of kids stop practicing the faith at some point during college. There is a way to keep our kids (grandkids) connected to the faith. Go to www.diopitt.org/newmanconnection and fill out the quick online form. We only need their first and last name and the school they will be attending. A Catholic campus minister at their college will be able to reach out to them and invite them to participate in campus ministry. It takes less than 2 minutes to do it and it might be the most important thing you do for your loved one as they graduate high school!
