FIFTEENTH SUNDAY IN ORDINARY TIME

There is an analogy made between the earth and people. Just as God waters the earth to make things grow, we are “watered” by God’s Word and grow in living out the Word’s meaning. God has a purpose for the words that are sent to us. According to God’s plan, we will achieve the purpose of that word. The fruit of God’s harvest is divine in human beings - that is God’s everlasting love. In the Gospel we are the soil in which God plants the seeds. Are we fertile or does our sinfulness or righteousness make us thorny? Are we filled with weeds of distraction and busyness? We need to be attentive to the care of our soil. That challenge is addressed in our prayer life, our attentiveness to the scriptures, our reception of the Sacraments and our efforts to live a life of service and charity in the image of Jesus Christ.

FIFTEENTH SUNDAY IN ORDINARY TIME

A Family Perspective

The stress and anxieties of family life are like “thorns which choke off” any opportunity to reflect on God’s presence in our lives. Notice in today’s gospel Jesus “left the house” so he could connect with his Father. Grasp five minutes each day to appreciate God walking with you.

INTERESTED IN YOUNG ADULT CHOIR?

Our Pastoral Council is exploring the idea of starting a young adult choir that would lead the music at occasional Masses. If you like to sing, or play a musical instrument and would be interested in being a part of this exciting new group for our Parish, please contact Ron Bachy at thebachyfamily@verizon.net. The idea is for this to be a youth/young adult driven ministry, but if others with instrumental talent are interested, please contact Ron.
