THE THIRTY-THIRD SUNDAY OF ORDINARY TIME

Everyone who hears today's gospel has a talent from the Lord. Some are using that talent to his glory. Some are not. Some aren't even sure what their talents are. Others know but bury them because they feel incompetent. It may be a talent of the hands such as sculpturing or playing the piano. It may be a talent of the eyes such as photography or flower arranging. Our talent may be of the mind. It may be one of the heart or the ability to counsel someone in trouble. We may be able to organize people to accomplish a project or gather facts and details to explain them in a meaningful way. Whatever our talent, or however many we have, God has given every one of us this wonderful gift for expressing our own unique personality. A talent is very simply an instrument God has provided each of us which has been in our heart since we were born. Take note of the gifts with which we have been entrusted by God. Accept God's invitation to use those gifts to honor his name and serve his people in the kingdom on earth.

OCTOBER COUNT:

"WHERE ARE THE OTHER NINE"

Here is a summary of the attendance count taken on the weekends of October. Unfortunately the average has decreased for the last few years. The average attendance for each weekend was 1091 individuals for the five Masses with the following breakdown: Saturday 6pm - - 216, Sunday 8am - - 181, 10am - - 229, Noon - - 195 and 5:30pm - - 270. This figure represents 30% of the registered, baptized parishioners and visitors. Our Lord said after curing ten lepers "where are the other nine" when only one returned to offer thanks. Are there members of your family, friends or neighbors who are neglecting to pray together with the faith community? (This is not an option but responsible behavior for the Catholic Christian). Take the opportunity to encourage these individuals to return to full participation in the Eucharist. Invite someone back to Church as we approach the sacred season of Advent in anticipation of Christmas. With five Sunday liturgies each week, there is a capacity for over 3000 individuals to attend at St. Colman. A question to consider very seriously: do we really need five masses? Reducing parish masses has been a serious discussion at the Diocesan Vicariate Meetings with the declining number of priests.

EXPOSITION OF THE BLESSED SACRAMENT

On Sunday, November 20th, the Feast of Christ the King, There will be exposition of the Blessed Sacrament following the Noon Mass until the celebration of Benediction at 5PM. This is an opportunity to worship in a prayerful, reflective manner in the special presence of the Eucharist. Consider spending some quality time in prayer, spiritual reading or just meditating on God's love and continuing presence in your life. This afternoon opportunity will replace the normal November Holy Hour.

FUTURE IMPORTANT DATES:

St. Colman Grief Sharing Group: Thursday, November 17th 6:30-8:30pm Cafeteria and every third Thursday of each month.

Breakfast with Santa: Saturday, December 3rd 9am in school cafeteria.

CCD Thanksgiving Mass: Tuesday, November 22nd 6:45 pm.

ADVENT WREATH LIGHTING

Advent Wreath Lighting - The sign up sheet for the Advent Wreath Lighting Ceremony that takes place at all Masses during Advent is located on the bulletin board in the vestibule of the church. This has become a seasonal tradition in our parish. Please sign up today. We hope to see some new families this year.

Preparing for the New Translation of the Mass: What will be happening with the prayers? On November 27, 2011, the First Sunday of Advent, all the English speaking Roman Catholic Communities will begin using the new translation of **The Roman Missal, Third Edition**. The Roman Missal is the source of all the prayers used during the Eucharistic Liturgy, the Mass. The First (1974) and the Second (1985) Editions were marked by a style of English that was easy to understand, but the translation of the original Latin texts were not accurate. The Third Edition makes use of a more formal style of English. The translations are more literal renderings of the original Latin texts so that their meaning is more accurately expressed in English and all the various languages prayed throughout the world. The words that we pray at Mass express our beliefs; therefore, it is important that the translation captures and express these beliefs clearly.
