THE FOURTH SUNDAY OF ADVENT

We need to know that we still belong to the people who share life with us. It's so easy to grow apart, to take others for granted, and never to express our love in words or gestures. At times the pace of life with all of its worries, problems, and tasks, pushes us right by the ones we belong to. If this can happen so easily with those whom we can see, then the danger exists that we will eventually take for granted the one whom we can't see - Jesus, Our Savior. We need to extend our welcome daily to Our Lord. Christmas is a time to gently ask ourselves if we are still extending our welcome to Jesus. Does he still have a place in all of our decisions, plans, and dreams? Or do we just invite him into our lives when it seems like the right occasion, like a wedding, anniversary, or baptism, or some occasion where we are in a good mood and ready to give thanks to God? We need to be more than a fair weather friend when it comes to our relationship with Christ. Developing a practice of prayer each day we will be welcoming Jesus into our lives and practice of the faith.

Thoughts to reflect on and share: "To trust God so much to take a woman as one's wife who has already conceived, and to raise the son she would bear as his own, is the very definition of faith. We should all have the courage to ask God to bless us with a faith as strong as Joseph's which would be the most challenging but fulfilling and lasting Christmas gift we could ever receive.
