Old Business

- A) Campaign Update – since last meeting the boiler in the church needed to be replaced at a cost of \$25,000. As a result the renovation of the church and cafeteria bathrooms had to be pushed back until more Campaign monies come in.
- B) On Mission Update – cluster meeting was held in February discussing suggested revisions to the models that were presented to the parishes. Revised models will be made public by the end of April or early May.
- C) Contract with the outside church – Christine has drafted a contract and will revise it based on discussion at the meeting. It was agreed to have them sign a contract for whatever length of time they will continue using our building.
- D) Evangelization Goals and Objectives through mid 2018 – per Mary Jo there is nothing going on right on.
- E) Parish Survey – continued agreement that based on the very low response to the last survey another one would not be taken until the fate of the parish is known.
- F) Novenas – Fr. Jim suggested starting the Miraculous Medal novena in May and that we could do as part of the May Holy Hour and Exposition and once a week after morning Mass. We will follow Father's suggestion.

New Business - Father asked for members to think about new names to have their feet washed on Holy Thursday.

For the Good of the Parish

- A) Little Sisters of the Poor will be with us at the Masses August 19 and 20
- B) Nominations for Manifesting the Kingdom Award are needed
